

Adobe Photoshop Project

IT 12

Objective: You have to use Photoshop and create three pages based on a childrens' book. Your Book must be greater than 3 in. by 3 in.

The three pages are:

1) *The Cover page.*

The Title and a full page illustration.

2) *First page of a chapter:*

An illustration and a short paragraph.

3) *The Back Cover:*

An illustration, a summary of your story and some comments on your story (E.g. "Beauty and the Beast" is the all time classic – New York Times.).

- ☐ Each page must be done in a separate Photoshop file.
- ☐ Your illustration must be a montages created by at least four different pictures/images.
- ☐ You must include all of the original pictures/images you used in a separate folder of your project folder.

Due Date: You have three classes to finish this project.
